GOLDMAN SACHS

Hiring Manager

Singapore

049319.

Dear Hiring committee,

I am writing to express my enthusiastic interest in the Software Engineering Internship position at Goldman Sachs, as advertised. With a strong academic background in Computer Science and extensive experience in Python programming, I am eager to contribute to your esteemed firm. My hands-on experience in developing robust software solutions and my passion for technology make me an ideal candidate for this role. I am excited about the opportunity to apply my skills and further develop my expertise in a challenging and dynamic environment like Goldman Sachs.

I strive to maintain accuracy and consistency in task completion, individual performance and team goal-achievement, using acute attention to detail. Additionally, I offer teamwork, time-management and scheduling flexibility. My goal is to apply my programming skill and analysis skill to support increased efficiency.

Please review my attached resume which provides additional details of my education and employment experience. I believe my planning and my programming abilities will provide an invaluable asset to your team. I would welcome the opportunity for an interview to further discuss the position and the ways in which I can positively impact Goldman Sachs's growth. Thank you for your time and consideration.

Sincerely,

Deepak Walunj,
